- 

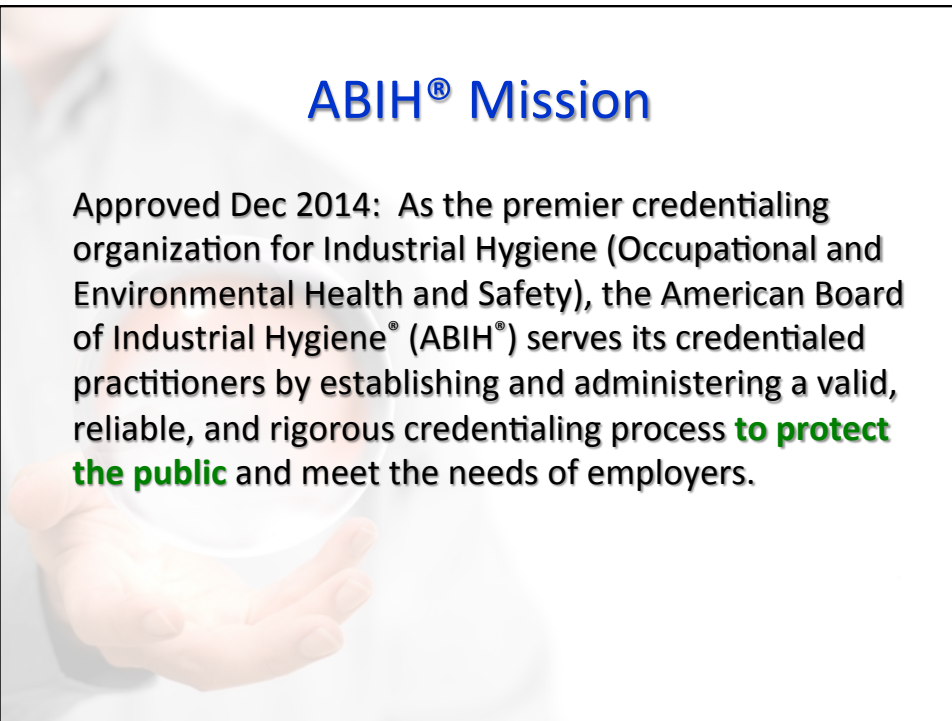

Why is ABIH here?

- A. To assure sufficient numbers of practitioners
- B. To keep out competitors
- C. To assure the highest practice standards
- ☒ D. To protect the public
- E. To perpetuate traditions in the profession
- F. All of the above

ABIH[®] Mission

Approved Dec 2014: As the premier credentialing organization for Industrial Hygiene (Occupational and Environmental Health and Safety), the American Board of Industrial Hygiene[®] (ABIH[®]) serves its credentialed practitioners by establishing and administering a valid, reliable, and rigorous credentialing process **to protect the public** and meet the needs of employers.

ABIH® Mission to Protect the Public

Practicing Industrial-Hygiene without an assessment of readiness to practice and maintenance of minimum competency is contrary to ABIH's new mission of **public protection.**

ABIH® Mission to Protect the Public

ABIH® Mission to Protect the Public

Eligibility for the Entry Level Credential

ABIH® Mission to Protect the Public

Path to the CIH

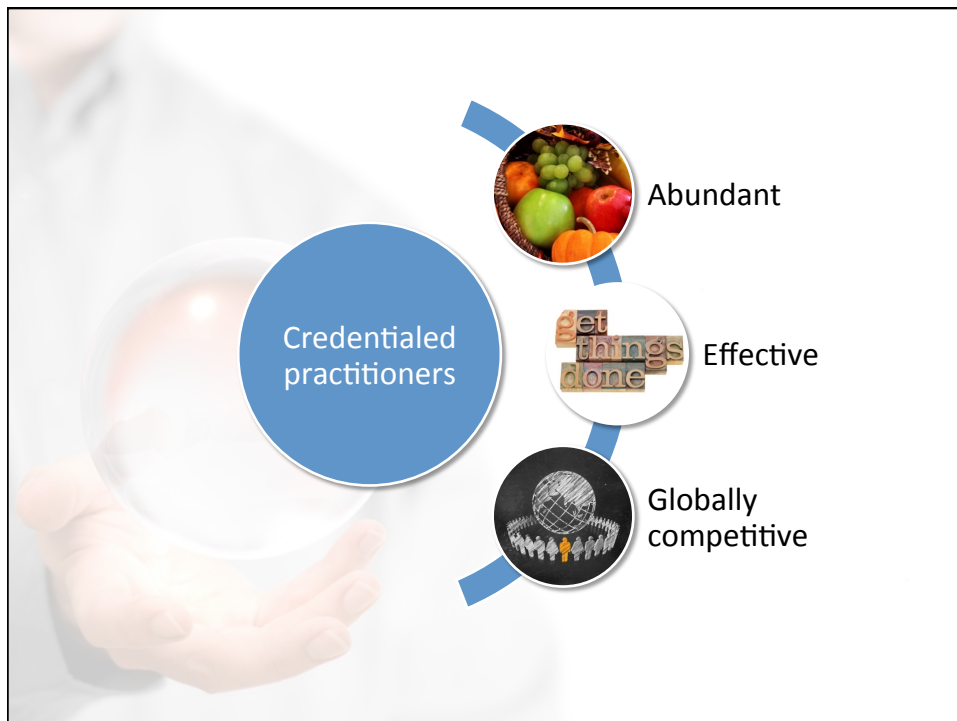

ABIH® Mission to Protect the Public

ABIH is conducting a **market analysis** to assess the need and viability for an entry-level credential.

ABIH®-credentialed practitioners will be globally recognized as the epitome of professional competence and ethics in Industrial Hygiene (Occupational and Environmental Health and Safety).

Chemical

The American Board of Industrial Hygiene® establishes and administers a valid, reliable, and rigorous credentialing process for Certified Industrial Hygienists® to protect you at work, at home and in your community against chemical, physical, biological, and ergonomic health and safety hazards.

THE CIH FACTOR
REAL PEOPLE, REAL STORIES
[Read More](#)

"Having renewed my certification four times and heading for number five, shows that the CIH certification has generated a lengthy career path for me which has been consistently challenging, rewarding and fulfilling."

- Bob A. Pfromm, CIH [Next](#)

The Certification that sets you apart.

It's no longer enough to be certified. You need a credential that will help you stand out from the crowd. Our requirements are demanding and consequently, the CIH is held only by an elite group of professionals.

The CIH has been the gold standard for more than 50 years, attaining uncompromised integrity, global recognition and career lasting value.
